WASH YOUR HANDS - 20 SECONDS

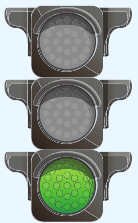

Upon arrival at the studio, head straight to the restroom and wash your hands for a full 20 seconds or use hand sanitizer.

SANITIZE IN AND OUT OF CLASS

Allow a staff member to assist with hand sanitizer when leaving the classroom, or head to the restroom to wash with soap.

5

Students under 7 will be accompanied to exit the building. Please meet your dancer outside of their designated exit.

If you have been waiting in the lobby, your dancer can meet you there.
